

SUPPLEMENT TO
THE AMERICAN JOURNAL
of
PHARMACEUTICAL EDUCATION

Index to Volume IX

INDEX TO AUTHORS

INDEX TO SUBJECTS

January, April, July and October
1945

INDEX TO AUTHORS

- Barrett, Leslie B. Shall Replacement Problems Influence Educational Standards?, 132
- Some Suggestions for Limitation on Enrollments in Colleges of Pharmacy, 234
- Beal, George D., An Alumni Address, 541
- Bienfang, Ralph D., An Armed Forces Pharmacy—Civilian Pharmacy Riddle, 138
- Thumbnail History of Pharmacy in the U. S. Army, 223
- Bobst, E. Walton, The National Pharmacy Committee on Public Information, 13
- Boucher, C. S. basis of democracy, 152
- Bowers, Roy A. From Farm to Pharmacy, 374
- The Need of Conventions, 259
- Bowman, Isaiah, the accelerated program and time to think, 152
- Brown, Clarence M., Amasa Sproat, Pharmacist of Early Chillicothe, 244
- Brown, Francis J. and Trytten, M. H., Introduction to Special Bulletin on Post War Training for the Scientific Professions, 460
- Burlage, Henry M., Is the Pharmaceutical Press a Free Press?, 406
- Cataline, Elmon L., The Pre-professional Year, 134
- Cooper, Zada M., American Association of University Women, 131
- An Appreciation, 144
- Crossen, George E., Limitation of Enrollments, 407
- Dille, James M., The Bioassay Requirement, 135
- Dretzka, Sylvester H., Financial Statement, American Institute of the History of Pharmacy, 441
- DuMez, Andrew G., Report on Need for Graduate Work in Pharmaceutical Subjects, Prepared for the American Foundation for Pharmaceutical Education, 363
- Duron, Guillermo E., request for reviews, 463
- Eidsmoe, Clark T., Resolutions on the Death of Dr. Henry V. Army, 160
- Fischelis, Robert P., A Commencement Address, 533
- Beyond Mere Replacement, 560
- Memorial, James Hartley Beal, 592
- Pharmacy (in the Special Bulletin on Post War Training for the Scientific Professions), 461
- Gisvold, Ole and Wilson, Charles O., A Critique of the Syllabus of Quantitative Pharmaceutical Chemistry, 47
- Gittinger, Georgiana S., A Tribute to José Hipólito Unanue, 214
- Goode, John A., A Commencement Address, 5
- Goodness, Joseph H., Post War Plans for Courses in Pharmaceutical Economics in Colleges of Pharmacy, 43
- Guth, Earl P., A Course in Dispensing Pharmacy, 216
- Hall, Dan, Desirability and Feasibility of Limiting Post-War Enrollment in Colleges of Pharmacy, 392
- Hazleton, Lloyd W., A Proposal for Modification of the Biological Assay Laboratory Requirements of the Pharmaceutical Curriculum, 30
- Holck, Harald G. O., A Defense of Bioassay as a Required Subject in the Pharmaceutical Curriculum, 36
- Hunsberger, Ambrose, A Citation, 594
- Ireland, Edward J. and Lynn, Eldin V., report of the Committee on Libraries—concluded, 394
- (for part one of the report see *Journal*, vol. VIII [1944] p. 485)
- James, Arthur E., A Proposed Syllabus Outline for Qualitative Analysis, 54
- Jenkins, Glenn L., A Request, 294
- Graduate Study and Research in Pharmacy, 564
- Improvement of Instruction in Pharmacy, 262
- Planning Pharmacy Curriculums, 413
- president's page, 143, 262, 413, 564
- The Five Year Course, 143
- Kelley, Ray S., Quantitative Chemistry and Quantitative Pharmaceutical Chemistry, 51
- Kendig, H. Evert, Citation, Ernest Little, Doctor of Laws, 439
- Pharmacy and National Welfare, 185
- Kraus, Edward H., premium on prepared minds, front cover, October *Journal*
- World Responsibilities of Education, 545
- Lakey, Roland T., memorial, Leonard A. Seltzer, 591
- Lee, Charles O., A Critical Evaluation of the Accelerated Program, 377
- Luckhardt, Arno B., Digestion, 312
- Rise of Our Knowledge of the Mode of Action of Peripheral Nerves and the Rise of Our Knowledge of the Central Nervous System, 329
- The Beginnings of Physiology, 299

- Lyman, Rufus A., American Association for The Advancement of Science, need of home, 576
- American Association of Government Pharmacists, 423
- American College of Pharmacists, 422
- American Council on Pharmaceutical Education, comment on report, 151
- American Foundation for Pharmaceutical Education, requests opinion about scholarship awards, 269
- request study of problem of best use of funds, 572
- assuming responsibility a necessity for growth, 272
- "Brave New World Again" by Charles F. Mullett, 149
- cancellation of annual meeting had educational policy, 422
- carrying standard college course while working for complete support impossible, 570
- Center for Continuation Study, contribution of Lotus D. Coffman, 275
- comprehensive courses in all branches of pharmacy for \$2501.1, 571
- Connecticut legislature attempts to defeat purpose of pharmacy law, 421
- death of Leonard A. Seltzer and of James H. Beal, 578
- Doctor of Science degree to John A. Goode commendable, 152
- educational requirements and the "poor boy", 270
- election of Doctor Fischelis to secretaryship of A. Ph. A., 145
- financial support necessary for institutional growth, 272
- "Free Pharmacy Scholarships in Seventeen Leading Colleges of Pharmacy", a misleading pamphlet, 570
- greater service means greater cost, 272
- "History of Science in Postwar Education" by Dr. Henry E. Sigerest, 149
- honorary degree conferred on Dr. Ernest Little, 423
- importance of scientific and educational meetings in war time, 148
- inappropriateness of September for a meeting of A. Ph. A., 147
- Kraus, Edward H., some of his honors and his service to pharmacy, 557
- lack of autonomy in colleges of pharmacy, 271
- memorial, Will Brookley, 438
- need of pharmaceutical education, funeral of some deans, 575
- New Mexico to establish a college of pharmacy, 421
- pharmacy week should be 365 days long, 575
- physically handicapped and colleges, 275
- President Jenkins' request, 422
- refresher courses, nature varies with groups desiring them, 274
- responsibility of administrators and research workers in war time, 149
- retirement of Deans Wilson and Mollett, 424
- scholarship awards, study of facts in order to establish policy, 269
- "Small Town Medical Practice", principles applicable to small town druggist, 272
- staying on job highest degree of patriotism, 149
- University of Minnesota Pharmaceutical Institute, 274
- Lynn, Eldin V. and Ireland, Edward J., report of the Committee on Libraries—concluded, 394 (for part one of the report see *Journal*, vol. VIII [1944] p. 485)
- McGrath, Earl J., educational needs, cover, *April Journal*
- The Procrustean Bed of Higher Education, 169
- McPherrin, John W., ammunition vs. cigarettes, 198

- Wimmer, Curt P., Citation in Presenting the Remington Honor Medal to Dr. H. Evert Kendig, 289
- Wirth, Elmer H., Pharmaceutical Education and the Plant Science Seminar, 229
The Plant Science Seminar, 463
- Youngken, Heber W., The Significance of the Subordination of Latin Titles to English Titles in U.S.P. XIII and N.F. VIII, 409

INDEX TO SUBJECTS

- Accelerated program, and time to think, Isaiah Bowman, 152
critical evaluation of, Charles O. Lee, 377
Activities of the Public Health Service and pharmacists, 155
Address, alumni, George D. Beal, 540
commencement, Robert P. Fischelis, 533
John A. Goode, 5
American Association for the Advancement of Science, prospectus about home for, Charles F. Ketting, 576
American Association of Colleges of Pharmacy, annual meeting not held, 569
membership personnel, covers of each *Journal*
American Association of Government Pharmacists, organization of, 423
American Association of University Women, Zada M. Cooper, 131
American College of Pharmacists, incorporated, 422
American Council on Education, assembling teaching units of 2 x 2 color slides of other American republics, 412
studying conscription, 62
American Council on Pharmaceutical Education, standards of accreditation revised, 412
teacher need, reference to study of, 412
American Foundation for Pharmaceutical Education, distributing literature prepared by National Pharmacy Committee on Public Information, 261
third allocation of funds to colleges, 261
American Institute of the History of Pharmacy, financial statement, Sylvester H. Dretzka, 441
minutes of third annual meeting, Jennings Murphy, 440
American Journal of Pharmaceutical Education, notice concerning subscriptions cover October *Journal*
American Pharmaceutical Association, meeting postponed, cover July *Journal*
Ammunition and cigarettes, relative importance, John W. McPherrin, 198
Apothecary Chemist Carl Wilhelm Scheele, George Urdang, 290
Appreciation, Zada M. Cooper, 144
Armed forces pharmacy—civilian, pharmacy riddle, Ralph D. Bienfang, 138
Army medical department, figures on growth, 220
Basis of democracy, C. S. Boucher, 152
Bioassay, as required subject in pharmaceutical curriculum, Harald G. O. Holck, 38
how—came to be, Earl R. Serles, 137
requirement, James M. Dille, 135
Biologic products, a plan of instruction in, E. E. Roscoe, 370
Biological assay laboratory requirement of the Pharmaceutical Syllabus, proposal for modification of, Lloyd W. Hazelton, 30
Birth, 130, 424, 569
Books, new, 163, 292, 458, 594
old, obtainable, 431
Building, request for appropriation for pharmacy at State University of Iowa, 228
Captain Murphy's letter about returned G.I. and the university, 282
Chemistry, text and reference books in, Eldin V. Lynn, 394
Citation, Robert Philipp Fischelis, Ambrose Hunsberger, 594
Collaborators, 3, 167, 297, 468
Color slides, "Hunting unusual plants in Guatemala," 412
"Native markets of Latin America", 412
"Rubber in the Amazon basin," 412
Commencement address, Robert P. Fischelis, 533
John A. Goode, 5
Committee, Pharmaceutical Syllabus, membership, 2, 166, 296, 467
postwar planning, a study of the postwar problems confronting pharmaceutical education, Robert C. Wilson, 59
Committees, announcement concerning revision of personnel for 1945-1946, 569
reports of, to appear in January 1946 *Journal*, 569
Conventions in war time, need of, Roy A. Bowers, 259
question of abandoning, letters about, 277
Credit for training gained with armed forces, report of statements by Robert P. Fischelis, 405
Curricula, variations in college, Charles E. Mollett, 563
Curriculum, changing the pharmacy, H. O. Thompson, 259
planning pharmacy, Glenn L. Jenkins, 413
Curriculums over a twenty-five year period, a comparison of pharmacy, Ewart A. Swinyard, 386
Digestion, Arno B. Luckhardt, 312
Dispensing laboratory, record keeping in, Elmer M. Plein and L. Wait Rising, 221
Editorial, American Association of University Women, Zada M. Cooper, 131
Armed forces pharmacy—civilian pharmacy riddle, Ralph D. Bienfang, 138
Bioassay requirement, James M. Dille, 135

- Conventions, the need of, Roy A. Bowers, 259
- Curricula, variations in college, Charles E. Mollett, 563
- Curriculum, changing the pharmacy, H. O. Thompson, 259
- Educational standards, shall replacement problems influence, Leslie B. Barrett, 132
- Enrollments, limitation of, George E. Crossen, 407
- How bioassay came to be, Earl R. Series, 137
- How to be happy though unemployed, Edward Spease, 140
- Is the pharmaceutical press a free press?, Latin titles to English titles, significance of the subordination of, Heber W. Youngken, 409
- "Pharmacy Standards Upheld in Connecticut", Hartford Courant, 562
- Preprofessional year, Elmon L. Cataline, 134
- Replacement, beyond mere, Robert P. Fischelis, 560
- Editor's mail, gleanings from 153, 277, 425, 579
- Editor's page, 145, 268, 421, 570
- American Association for Advancement of Science, need for home, 576
- American Council on Pharmaceutical Education, comment on report of, 151
- American Foundation for Pharmaceutical Education, reply to request about use of funds, 572
- requests opinion about policy for undergraduate scholarships, 268
- requests study on problem of best use of funds, 572
- cancellation of annual meeting had educational policy, 422
- carrying standard college course while working for complete support impossible, 570
- Center for Continuation Study, contribution of Lotus D. Coffman, 275
- contribution of academically trained men in advancing pharmacy, 271
- comprehensive course in all branches of pharmacy for \$250!!, 571
- Connecticut legislature attempts to defeat purpose of pharmacy law, 421
- death comes to Leonard A. Seltzer and James H. Beal, 578
- Doctor of Science degree to John A. Goode, commendable 152
- election of Dr. Fischelis to secretaryship of A. Ph. A., 145
- "financial need" should not be basic factor in granting scholarships, 269
- financial support necessary for institutional growth, 272
- "Free Pharmacy Scholarships in Seventeen Leading Colleges of Pharmacy," misleading circular, 570
- graduate scholarships, suggestion about, 573
- "History of Science in Postwar Education" by Dr. Henry E. Sigerist, quotation from, 149
- honorary degree to Dean Little, 423
- importance of scientific and educational meetings in war time, 148
- inappropriateness of September for meeting of A. Ph. A., 148
- Kraus, Edward H., retirement of, 577
- some of his honors and his service to humanity, 577
- lack of autonomy of pharmacy faculties, 270
- need of pharmaceutical education, funeral of some deans, 575
- New Mexico will establish college of pharmacy, 421
- Pharmaceutical Institute of University of Minnesota, 274
- pharmacy week should be 365 days long, 575
- physically handicapped and colleges of pharmacy, 275
- President Jenkins' request, 422
- refresher courses, nature varies with groups desiring them, 274
- responsibility of administrators and research workers in war time, 149
- retirement of Deans Wilson and Mollett, 424
- of Dean Kraus, 577
- scholarships for distinction, not monetary value, 269
- "Small Town Medical Practice" principles applicable to small town druggist, 272
- staying on job, highest degree of patriotism, 149
- The American Association of Government Pharmacists, 423
- The American College of Pharmacists, 422
- "The Brave New World Again" by Dr. Charles F. Mullett, 149
- welcome to new deans, 424
- Education, procrustean bed of higher, Earl J. McGrath, 169
- world responsibilities of, Edward H. Kraus, 545
- Educational needs, Earl J. McGrath, cover April *Journal*
- Educational standards, shall replacement problems influence, Leslie B. Barrett, 132
- Enrollment in colleges of pharmacy, desirability and feasibility of limiting postwar, Dan Hall, 392
- Enrollments, limitation of, George E. Crossen, 407
- some suggestions for limitation of, Leslie B. Barrett, 234
- Executive Committee, 2, 166, 296, 467
- Farm to pharmacy, from, Roy A. Bowers, 374

- Fellowship and prize for fiction to graduate of University of Connecticut College of Pharmacy, 290
- Fellowships, scholarships, assistantships, 161, cover April *Journal*
- Film dramatizing pharmacy, "Bill Proctor's Choice", 209
- Five-year course, Glenn L. Jenkins, 143
- G. I. and the university, 282
- Gleanings from the editor's mail, 153, 277, 425, 579
- Graduate study and research in pharmacy, Glenn L. Jenkins, 564
- Graduate work in pharmaceutical subjects, need for, report prepared for American Foundation for Pharmaceutical Education, A. G. DuMez, 363
- Hospital car, 152
- Houghton Mifflin Literary Fellowship awarded to graduate of University of Connecticut College of Pharmacy, 290
- How should student's ability to do graduate work in pharmacognosy and pharmacology be evaluated, Ralph F. Voigt, 26
- Human interest notes, 161, 290, 420, 559
- Index for volume VIII, work of Zada M. Cooper, 142
- Institutions holding membership in the Association, covers of each *Journal*
- Items of interest, 288, 559
- Journal of Pharmaceutical Education, see American Journal of Pharmaceutical Education
- Kendig, H. Evert, Remington Honor Medal citation, 289
- Latin titles to English titles in U.S.P. XIII and N.F. VIII, Heber W. Youngken, 409
- Letters to the editor, 153, 277, 425, 577, 589
- Little, Ernest, citation on occasion of conferring honorary degree, H. Evert Kendig, 439
- Marriages, 130, 569
- Materials and outline for a short history of pharmacognosy, Louis H. Roddis, 19
- George Urdang, 199
- Memorial, Beal, James H., 592
- Brookley, Will, 438
- Seltzer, Leonard A., 591
- Military training at Land Grant Colleges, C. A. Dykstra, 220
- National Pharmacy Committee on Public Information E. Walton Bobst, 12
- New in the family, 130, 424, 569
- New Mexico to establish college of pharmacy at university, 261
- Notes and news, 156, 161, 198, 233, 261, 267, 283, 290, 420, 424, 432, 559, 582
- Officers of the Association, 2, 166 296, 467
- Papers, scientific and educational, published by faculties of colleges of pharmacy, 442
- Penicillin, under Pure Food and Drug Administration, 462
- Peripheral nerves—and central nervous system, rise of knowledge of, Arno B. Luckhardt, 329
- Pharmaceutical economics, post-war plans for courses, J. H. Goodness, 42
- Pharmaceutical education, and the Plant Science Seminar, Elmer H. Wirth, 229 on the march, 429
- post-war problems confronting, Robert C. Wilson, 59
- Pharmaceutical engineering, Arthur F. Peterson, 176
- Pharmaceutical Institute, program of University of Minnesota, 288
- Pharmaceutical press, is—a free press?, Henry M. Burlage, 406
- Pharmaceutical Students Association, British, 455
- Pharmacist, key to better public relations, Leo Nejelski, 345
- Pharmacists, post-war jobs for, Dan Rivkin, 357
- Pharmacognosy, material and outline for a short history of, Louis H. Roddis, 19
- George Urdang, 199
- Pharmacy, and aviation, George Urdang, 207 and the national welfare, H. Evert Kendig, 185
- books, Edward J. Ireland, 399
- course in dispensing, Earl P. Guth, 216
- from farm to, Roy E. Bowers, 374
- graduate study and research in, Glenn L. Jenkins, 564
- graduates and commissions, Wortley F. Rudd, 240
- improvement of instruction in, Glenn L. Jenkins, 262
- in the U. S. Army, thumbnail history of, Ralph D. Bienfang, 223
- scope of, George Urdang, 473
- standards upheld in Connecticut, 562
- Physiology, the beginnings of, Arno B. Luckhardt, 299
- Planning pharmacy curriculum, Glenn L. Jenkins, 413
- Plant Science Seminar, Elmer H. Wirth, 463
- Post-war, plans for courses in pharmaceutical economics, J. H. Goodness, 42
- problems confronting pharmaceutical education, Robert C. Wilson, 59
- Prepared minds, Edward H. Kraus, cover October *Journal*
- Preparing for profession, flaws in, 243
- Prepharmaceutic and pharmaceutical study, one: four vs. two: three division of, Charles V. Netz, 553
- Preprofessional year?, Elmon L. Cataline, 134
- Prescription file as a teaching aid, an active, L. Wait Rising and Elmer M. Plein, 390

- Prescriptions, increases in. 155
 President's page, Glenn L. Jenkins, 143,
 262, 413, 564
 Procrustean bed of higher education, Earl
 J. McGrath, 169
 Publication board, 3, 167, 297, 468
- Qualitative analysis, experience in teaching
 by the semi-micro method, Louis A.
 Reber, 210
 proposed Syllabus outline, Arthur E. James,
 54
 Quantitative chemistry and quantitative phar-
 maceutical chemistry, Ray S. Kelley, 51
 Quantitative pharmaceutical chemistry,
 critique of the Syllabus outline of, Ole
 Gisvold and Charles O. Wilson, 47
- Refresher courses in dispensing pharmacy
 for returning registered pharmacists,
 Thomas D. Rowe, 22
 Remington Honor Medal to H. Evert Kendig,
 89
- Replacement, beyond mere, Robert P. Fis-
 chelis, 560
 Request, from Honduras, for reviews, 463
 President Jenkins makes, 294
 Resolutions on the death of Dr. Arny, 160
- Scholarship established at University of
 Oklahoma by C. F. Perkins, 233
 Scholarships, fellowships, assistantships,
 cover April *Journal*
 Scientific professions, bulletin on post-war
 training for, 460
 Scope of pharmacy, George Urdang, 473
 Sproat, Amasa, pharmacist of early Chil-
 licothé, Clarence M. Brown, 244
 Syllabus Committee, 2, 166, 296, 467
- Theory and practice can be combined, L.
 Wait Rising, 557
- Unanue, José Hipólito, tribute to, Georgian-
 na S. Gittinger, 214
